

# V. International Ege Composite Materials Symposium 2020

Dear Colleagues,

We're delighted to announce our KOMPEGE 2020 (V. International Ege Composite Materials Symposium) organized by Ege University Faculty of Engineering that will take place on November 05-07, 2020 Antalya, Turkey.

The past four events were held in Selçuk (KOMPEGE I - 2011), Kuşadası (KOMPEGE II - 2013 and KOMPEGE III - 2015) and İzmir (KOMPEGE IV - 2018) successively.

KOMPEGE aims to provide a platform to bring together academicians, researchers, industrialists, practitioners and other related experts from home and abroad to share knowledge and experiences, which will promote intellectual and practical development in all fields of Technology, Engineering, and Science.

More detailed information is provided on the official website ([www.kompege.com](http://www.kompege.com)).

For the most efficient realization of the scientific Symposium, we kindly invite you to submit your original research works to the International Ege Composite Materials Symposium KOMPEGE 2020. We will be honored with your participation and contribution to the International Symposium.

We look forward to seeing you in Antalya-TURKEY in November 2020.

Best regards,

Prof. Dr. Rasim İPEK

On behalf of the Organizing Committee
